Dear Parents,

The teachers and management have noticed that several students, especially those who use personal transport are late in reaching school in the morning. This is to reiterate that the school begins at 7:40 am, we expect students to be in the school 5 minutes before the first bell. It is the parent's responsibility to ensure that students using personal transport reach school on time. From Monday (1.10.18) onwards the school gates will be closed at 7:40 am and students who arrive later than that will be marked as absent with a note in their diary. Three such notes will be considered a serious breach of school discipline leading to strict consequences.

The school requests your co-operation in ensuring that students reach school in time and learn the value of punctuality.

Sincerely

Principal
